INFORMATION FOR POSTMASTERS

(1) **Addressing of Mail for Destination in the "West Indian Federation".**—Mail for the following places (Antigua, Barbados, Dominica, Grenada, Jamaica, Montserrat, St. Kitts, St. Lucia, St. Vincent and Trinidad) should in future bear the abbreviation "W.I." or the wording "West Indies" in the address.

Specimen forms of address are outlined hereunder:

JAMAICA
W.I.

or

JAMAICA
WEST INDIES

This change is due to the fact that the above mentioned Islands have federated and adopted the name "West Indian Federation".

Prospective mailers should be suitably informed.

The necessary amendment to the relative places appearing in the list on page 142, Section 616 of the Postal Guide appears under Guide amendments in this Supplement.

(2) **Pakistan—Parcel Post—Import Licences.**—Information has been received from Pakistan that the importation without import licence of articles for private and personal use (including gift parcels), the value of which (including the postage) does not exceed 150 rupees (about $30.00) is now restricted to books, newspapers, magazines, and medicines.

Articles other than those mentioned above may be imported only under licence issued by the Chief Controller of Imports and Exports, Government of Pakistan, Karachi, or other authorized official.

Interested mailers should be informed of these regulations of the Administration of Pakistan.

(3) Gift Parcels for Western Germany (including Western Sector of Berlin)—Customs Duty.—The following information supplements that published under the above heading in the March 1958 Supplement which is still valid.

Customs duty is not collected on the contents of parcels weighing up to 20 lb. and not exceeding 50 DM (about $11.50) in value sent by private individuals to private individuals if it is proved that the articles are sent free of charge and for no commercial or industrial purpose.

The Customs declaration should be marked "Gift Parcel". A complete statement of the contents should also be enclosed in letter packages which bear on the cover only the green Customs label No. 185. These should also be marked "Gift". This exemption from duty does not however, apply to the following articles:

1. Coffee, roasted or not, or mixed with a substitute;
2. Tea, also extracts or essences of coffee or tea;
3. Tobacco, tobacco products and cigarette papers.

Gift parcels containing such articles only are subject to Customs duty. However, the inclusion of the articles in question in parcels containing other items does not render the latter liable to duty.

If several parcels from the same mailer to the same addressee are forwarded simultaneously the exemption from Customs duty applies only to a total weight of 20 lb. and a total value of 50 DM.

When gift parcels cannot be exempted from duty under the conditions mentioned above, they may be thus admitted if they comply with the regulations mentioned in the notice in the March 1958 Supplement, which are still valid,.

Prospective mailers should be informed accordingl y.

(4) Uruguay—Certificates of Disinfection.—Parcels of used wearing apparel addressed for delivery in Uruguay must now be accompanied by a certificate of disinfection which should be enclosed therein, and the cover endorsed "Certificate of disinfection enclosed".

Notice No. 10 in the July 1957 Supplement should therefore be amended by the insertion of Uruguay after U.S.S.R. in the list of countries which require certificates of disinfection.

(5) United States—Increased Postage Rates on Mail for Delivery in Canada.—Effective 1 January 1959 the postage rate on books and printed sheet music mailed in the United States for delivery in Canada, will be 3c. for the first 2 oz. and 1½c. for each additional 2 oz. or fraction.

This is in accordance with information received from the United States postal authorities.

As indicated in the August 1958 Supplement other types of printed matter (third class) mailed in the United States for delivery in Canada are subject to postage of 4c. for the first 2 oz. and 2c. for each additional 2 oz. or fraction.

(6) Sweden—Commercial Invoices.—Information has been received that in order to avoid delay at Customs in Sweden a signed invoice must accompany all letter packets and parcels of a commercial nature, addressed to that country.

The invoice is to be enclosed in letter packets and a notation to that effect should appear on the wrapper.

In connection with parcels, the invoice is to be attached to the relative despatch note.

(7) French Guinea Now Known as Republic of Guinea.—As of the 1st November 1958 French Guinea became an independent State and is now known as Republic of Guinea.

Mail addressed to Guinea or Republic of Guinea is subject to the same rates of postage and conditions of mailing which were applicable to French Guinea as outlined on pages 241 and 242 of the Postal Guide.

The necessary amendment to the Postal Guide appeared in the December 1958 monthly supplement.

(8) Similarity in Post Office Names.—A considerable quantity of mail addressed to Aresville P.Q., is being missent to Ayersville, P.Q.

Aresville, P.Q. is served from St-Francois-de-Sales Station via Trois Rivieres and Montreal H.S.

Ayersville, P.Q. is a closed Post Office and mail so addressed should be sent to Lachute, P.Q.

Particular care should be exercised in the sortation of mail addressed to Aresville, P.Q. and Ayersville, P.Q.

The Postmaster at Central Patricia, Ontario, reports the receipt at his office of a considerable quantity of mail for Trout Lake, Ontario, a non post office point served from Parry Sound, Ontario. These missendings are due no doubt, to the similarity between Trout Lake, Ontario and Big Trout Lake, Ontario—the latter being a post office point served from Central Patricia, Ontario.

Particular care should be exercised to see that mail addressed to Trout Lake, Ontario is sent to Parry Sound, Ontario.

(9) Missent Mail.—The United States Postal Administration reports that a large volume of parcel post intended for the State of Washington is being missent to Washington, D.C.

Care should be exercised in the sortation and labelling of such parcel post mails.

INFORMATION FOR POSTMASTERS

(1) **Transmission of Day-Old Chicks by Parcel Post.**—As this is the season during which live day-old chicks may be shipped at parcel post rates at the risk of the sender to places within Canada and the United States, Postmasters are requested again to read the section on page 48 of the Canada Official Postal Guide, outlining the manner in which such shipments should be prepared before acceptance for transmission by mail.

(2) **New Post Office, Old Crow, Y.T.**—A new Post Office has been established at Old Crow, Y.T. and the rates of postage on mail posted at or addressed to Old Crow are those in effect for other post offices in the Yukon, as follows:

1st, 2nd and 3rd class matter—Ordinary rates of postage

Parcel Post—4th Class
20¢ for the first pound and 15¢ for each additional pound or fraction of a pound.

(3) **New Air Stage Service—Fort Churchill, Man.,—Coral Harbour, N.W.T.—Cam. 134**—A new Air Stage Service has been established between Fort Churchill, Man. and Coral Harbour, N.W.T. This service will operate on a frequency of one round trip per month.

The following rates of postage will apply on mail conveyed over this Air Stage Service:

First Class Matter	5¢ for the first ounce and 3¢ for each additional ounce or fraction thereof.
Second Class Matter	When mailed by the public—2¢ for the first four ounces and 1¢ for each additional four ounces or fraction of four ounces to each separate address. When mailed by publishers to subscribers and newsdealers—4¢ per pound.
Third Class Matter	2¢ for the first two ounces, 1¢ each additional two ounces or fraction thereof to each separate address.
Parcel Post	70¢ for the first pound, and 65¢ for each additional pound or fraction of a pound.

(4) **Unpaid or Insufficiently prepaid Air Letter Mail and "Other Articles" (A.O.) Air Mail for Trans-Pacific Destinations.**—Reference is made to the notice in Weekly Bulletin No. 1854 of 22 September 1956 bearing the above heading.

The decision has now been reached to discontinue the exceptional treatment accorded such mail prepaid less than 75% of the required postage whereby it was held or returned to the office of mailing for collection of the deficient postage from the mailer.

It will, therefore, be in order until further notice to give such shortpaid items bearing less than 75% of the required postage the normal treatment provided by the regulations i.e. to obliterate air mail indications and forward them by air to Vancouver where they will be diverted to surface mail and despatched to destination.

All concerned should be informed accordingly to ensure compliance with these instructions.

(5) **Similarity in Post Office Names.**—The Postmaster, Blueberry Creek, B.C. reports the receipt at his office of a considerable quantity of mail addressed to Blueberry, Alaska Highway. Blueberry, Alaska Highway is a non-post office point near Mile 101 or Wonowon Post Office on the Alaska Highway. The Postmaster, Blueberry Creek, B.C. also advises that mail addressed to Blueberry Creek, B.C. has been missent to Blueberry, Alaska Highway.

Blueberry Creek, B.C. is served on the Nelson and Vancouver Highway service, trips 1 and 2, whereas Blueberry, Alaska Highway is served by the Dawson Creek and Whitehorse Highway service. Particular care should be exercised in the sortation of mail addressed to Blueberry Creek, B.C. and Blueberry, Alaska Highway.

INFORMATION FOR POSTMASTERS

(1) New Engineering and Development Branch Established.—A new Branch has been created at Headquarters to be known as Engineering and Development. The new Branch will be charged with carrying out the Department's research and development projects, with mechanization of postal services, with testing new equipment, with the provision of mail handling equipment to all offices, and with the provision of space and facilities for carrying out all postal operations.

Mr. J. N. Craig, formerly Director of the Operations Branch, was appointed Director of the new Branch. He was succeeded in the Operations Branch by Mr. W. H. Wilson, formerly Regional Director for the Pacific Region. Both appointments were effective April 1st.

(2) New Post Office, Weston, Ont.—A new post office, Weston, Ont., has been established with letter carrier delivery service. This office is to be added in alphabetical order to the list of post offices in Section 286, Page 86, of the Postal Guide, at which special delivery service is given.

(3) Treatment of Undeliverable Third Class Mail.—Postmasters are again reminded that Form 29B is not to be used in connection with undeliverable matter prepaid at the **Third Class Matter Rate of Postage.**

Undeliverable third class matter bearing a return address must be returned direct to the senders taxed postage due in accordance with the provisions of section 131 of the Canada Official Postal Guide.

(4) Commonwealth Reply Coupons—Kuwait.—Advice has been received to the effect that Commonwealth Reply Coupons are no longer exchangeable in Kuwait. Persons in Canada desiring to prepay postage on letters from Kuwait should forward International Reply Coupons for that purpose.

(5) Similarity in Post Office Names.—The Postmaster, Cold Lake, Alberta, reports the receipt at his office of a considerable quantity of mail addressed to R.C.A.F. Station, Cold Lake, Alberta.

Cold Lake, Alberta and R.C.A.F. Station, Cold Lake, Alberta are two separate Post Offices and particular care should be exercised in the sortation of mail addressed to R.C.A.F. Station, Cold Lake, Alberta.

The Postmaster at LaSalle, Manitoba, reports the receipt at his office of a considerable quantity of mail addressed to LaSalle, Ontario and LaSalle, P.Q., (LaSalle, P.Q., was formerly a sub office of Montreal but has now been changed to Lachine, P.Q. Sub Office No. 2)

INFORMATION FOR POSTMASTERS

(1) **Letter Carrier Delivery Service Established at Alma, P.Q.**—A letter carrier delivery service has been established at Alma, P.Q., and the name of this Post Office should be added in alphabetical order to the list of offices in section 286, Page 86, of the Postal Guide at which special delivery service is given.

(2) **Canadian Armed Forces Overseas—Postage Rates and Conditions.**—Information has been received that considerable quantities of parcel mail are being accepted for transmission to personnel of the Canadian Armed Forces overseas, shortpaid and/or improperly addressed.

The attention of Postmasters and all others concerned is therefore specially directed to the relative information which appears on page 13 of the 1959 Postal Guide; this should be consulted when accepting parcels for Canadian servicemen, or their dependents, overseas, in order to avoid any possible irregularity.

(c) deliver to an alternate addressee;

(d) redirect to the same addressee at another address, by surface or air;

(e) treat as abandoned.

In accordance with recently concluded arrangements parcels from Great Britain to Canada which are undeliverable are to be treated as follows:

(a) no change in treatment presently accorded parcels except that parcels may now be returned by air as well as surface means; parcels which bear a request for return by air are to be forwarded to the Montreal Exchange Office by air mail;

(b) not to be applied;

(4) **Turkey—Restricted Importation.**—The importation into Turkey of medicines, instruments, appliances and other relative articles, intended for agricultural purposes, is now permissible only if the necessary authorization has been obtained by the addressees in advance from the Ministry of Agriculture of Turkey.

Interested mailers should be informed of this requirement of the Turkish Authorities, and parcels containing the articles mentioned should be accepted only if endorsed to indicate that the required authorization has been obtained by the addressee.

(5) **Indonesia—Prohibitions.**—Books and periodical publications (including newspapers) in the Indonesian language (national or regional) printed and published outside Indonesia are now prohibited entry to Indonesia.

Such articles are therefore not to be accepted for transmission to Indonesia.

(6) **Nepal—Dutiable Articles in Letter Mail.**—Articles subject to Customs duty are permitted entry to Nepal in letter mails, only if registered.

Letters or letter packets containing dutiable articles for delivery in Nepal should therefore be accepted only under registration.

(7) **Czechoslovakia—Conditions of Entry of Gift Parcels and Letter Packages.**—Information has been received from the Authorities in Czechoslovakia that parcels and letter packages packed or despatched by commercial enterprises will no longer be admitted to that country under the regulations governing gift articles.

INFORMATION FOR POSTMASTERS

(1) **Letter Carrier Delivery Service Established at Stoney Creek, Ont.**—A letter carrier delivery service has been established at Stoney Creek, Ontario. and the name of this Post Office should be added in alphabetical order to the list of offices in Section 286, Page 86, of the Postal Guide at which special delivery service is given.

(2) **Packages containing raw furs.**—Postmasters are reminded that packages of raw furs are not to be accepted for mailing unless the packages bear a full and accurate description of the contents together with the name and address of the sender.

Furthermore, if such packages are addressed for delivery outside the province of mailing, they must have attached to the cover a permit from the Provincial Authorities covering the shipment. This does not apply to such parcels mailed in Prince Edward Island.

The above requirements should be brought to the attention of any local patrons who are known to be sending shipments of furs.

(3) **Argentina—Prohibitions.**—With reference to the notice No. 5 bearing the above heading in the January 1959 Supplement, information has now been received that this prohibition does not include clothing and textiles of limited value, having the character of typical family gifts, the non-commercial nature of which is beyond doubt.

As indicated in the previous notice, used clothing is also excluded from this prohibition, provided it is accompanied by a certificate of disinfection.

(4) **Similarity in Post Office Names.**—The Postmaster, Dawson, Yukon Territory, reports the receipt at his office of a considerable quantity of mail addressed to Dawson Landing, B.C. and Dawson Creek, B.C. Dawson Landing, B.C. is a non-Post Office point, served from Vancouver. The Postmaster, Dawson Creek is also receiving mail addressed to Dawson Landing, B.C. Apparently, sufficient care is not exercised in reading the full name of the destination.

The Postmaster at Dawson, Y.T. also advises that his office is receiving mail that has been missent to Dawson Creek and Dawson Landing, B.C.

Particular care should be exercised in the sortation of mail addressed to Dawson, Y.T., Dawson Creek, B.C. and Dawson Landing, B.C.

(5) **Parcel Post Rates—Northern British Columbia.**—Postmasters are reminded that parcels posted at or addressed for delivery at the following points are subject to postage at the rate of 20c. for the first pound and 15c. for each additional pound or fraction of a pound **the year round:**

Atlin, B.C.	Manson Creek, B.C.

INFORMATION FOR POSTMASTERS

(1) **Model Dater Year Bands.**—The Purchasing and Stores Division requests that those concerned carefully examine their model dater to find out if the year "1960" appears on the bands, and, if not, the dater should immediately be forwarded to the Superintendent, Purchasing and Stores Division, Ottawa, so that new bands may be placed thereon.

(2) **Short Paid Surface and Air Parcels for Overseas Destinations.**—Considerable numbers of parcels for overseas destinations continue to reach exchange offices with postage insufficiently prepaid.

The attention of Postmasters and all concerned, in accepting parcels for mailing, is specially drawn to the revised parcel post rates to other countries effective 1st May 1959, appearing in the May 1959, Table of Parcel Post Rates.

The revised parcel post rates also appear in the June 1959, Supplement to the Canada Official Postal Guide 1959, as amendments to the Postal Guide.

In addition, the number of air parcels without forms 91B received at exchange offices is increasing. If articles received for mailing are too small to affix the form 91B (small), the senders are to be requested to place the contents of the items in containers large enough to bear the form 91B, the particulars of address, air mail label, stamps, etc.

(3) **Parcel Post Rates—Northern British Columbia.**—Postmasters are reminded that parcels posted at or addressed for delivery at the following points are subject to postage at the rate of 20c. for the first pound and 15c. for each additional pound or fraction of a pound **the year round:**

80. CANADIAN PUBLICATIONS UNCLAIMED, REFUSED OR REQUIRING REDIRECTION

The following procedure is to be observed when publications, mailed by publishers *in Canada,* are **REFUSED OR REMAIN UNDELIVERABLE FOR FOUR WEEKS:**

(*a*) If the publications do *not* bear the pledge of the sender to pay return postage:—

(i) affix a form 29B to the cover or wrapper of the publication *near the old address but not over it;*

(ii) check the appropriate square on the form to show the reason for non-delivery and, if necessary, indicate the new address of the addressee in the space provided;

(iii) remove the covers or wrappers from the undeliverable publications and place them in envelopes using a separate envelope for each publisher;

(iv) complete 30B labels to show the name and address of each publisher, the amount of postage due (2¢ for each cover or wrapper), and an imprint of the office date stamp;

(v) affix the 30B labels to the respective envelopes;

(vi) continue procedure indicated above if further copies are received bearing the old address.

(*b*) If the publications *do* bear the pledge of the sender to pay return postage:—

(i) face-in the copies of each publication (if more than one copy is involved) to which forms 29B have been affixed and securely tie them in a bundle;

(ii) complete 30B labels to show the name and address of each publisher, the amount of postage due (2¢ for each copy), and an imprint of the office date stamp;

(iii) affix the 30B labels to the respective copies or bundles.

NOTE:—IF THE PUBLISHER REFUSES TO PAY THE POSTAGE DUE, the amount must be collected BEFORE ACCEPTING the next mailing at the privileged rate.

(*c*) In cases where a change of address is involved:—

(i) REDIRECT the publication to the new address;

(ii) IMMEDIATELY NOTIFY THE PUBLISHERS of the new address of the addressee on form 67B (which passes free of postage) quoting the name, address and all numbers and letters appearing on the address label or wrapper. Form 67B is to be plainly date stamped;

(iii) IF THE PUBLICATION CONTINUES TO ARRIVE bearing the old address after form 67B has been sent and sufficient time has elapsed to allow the publishers to change the address, the copies are to be treated as outlined in (*a*) or (*b*) above.

(d) Individually addressed **BUNDLES** of publications returned under the provisions of this section are to be rated up for return postage at the rate of 1¢ for the first two ounces, 1¢ for the next two ounces and 1¢ for each additional four ounces or fraction thereof calculated on the bulk weight of each bundle.

INFORMATION FOR POSTMASTERS

(1) **New Comptroller's Branch Established.**—Effective the 1st December 1959, a new branch was established comprising three divisions which were formerly part of the Administration Branch:

(1) Budgets, Costs and Estimates

(2) Purchasing and Stores

(3) Statistical and Office Services

The new Branch is headed by Mr. W. M. Griffiths who was previously Comptroller, Administration Branch. Mr. Griffiths' new rank is that of Branch Director.

In view of the foregoing, the Administration Branch, under its present Director, Mr. B. J. Farrell, is made up of the following divisions:

(1) International Mails

(2) Domestic Mails

(3) Investigations

(4) Legal.

The Public Relations Division, which heretofore formed part of the Administration Branch, will now be administered as part of the Office of the Deputy Postmaster General with the exception of the section dealing with Rural Directories. Allocation of the latter section will be announced later.

(2) **Special Assistant to the Deputy Postmaster General.**—This is a new position carrying the rank of Chief Superintendent. The Post has been assigned to Mr. C. Dazé who formerly held the office of Chief Superintendent, Methods and Enquiries, Operations Branch.

(3) **Letter Carrier Delivery Service Established at Whitby, Ont.**—A letter carrier delivery service has been established at Whitby, Ontario. This Post Office is to be added in alphabetical order to the list of offices in Section 286, Page 86, of the Postal Guide, at which special delivery service is given.

(4) **Letter Carrier Delivery Service Established at Elliot Lake, Ont.**—A letter carrier delivery service has been established at Elliot Lake, Ontario. This Post Office is to be added in alphabetical order to the list of offices in Section 286, Page 86, of the Postal Guide, at which special delivery service is given.

(5) **Change in Mail Service to Fort Providence, N.W.T.**—Effective immediately, the Post Office at Fort Providence, N.W.T., previously served by the Edmonton-Aklavik ASS CAM 185, will be served exclusively by motor vehicle service, from Peace River, Alta., via Hay River, N.W.T., on a frequency of one round trip per week.

First, second and third class mail posted at or addressed for delivery at Fort Providence, N.W.T., will be subject to the ordinary surface rates of postage.

Parcels addressed for delivery at Fort Providence will be subject to the rate which would ordinarily apply to parcels mailed from any point in Canada for delivery in the Province of Alberta.

(6) **Changing of Date Stamp.**—The attention of Postmasters is directed to the necessity of changing their office date-stamp at the beginning of the new calendar year to read "1960".

(7) **Model Dater Year Bands.**—The purchasing and Stores Division requests that those concerned carefully examine their model dater to find out if the year "1960" appears on the bands, and, if not, the dater should immediately be forwarded to the Superintendent, Purchasing and Stores Division, Ottawa, so that new bands may be placed thereon.

(8) **Calendars—To be Carefully Handled.**—At this time of the year business firms are prepared to mail quantities of calendars to clients and prospective customers throughout the country. The Calendars are, in many cases, printed at considerable expense and are valuable not only to recipient but to the business firm as an advertising medium.

It is important, therefore, that the calendars should be delivered carefully and Postmasters are requested to exercise care in the handling of these items during the course of post.

In the event of delivery not being effected and the calendar bears a return address on the cover, the calendar should be returned to the sender.
